

# Glacier Solution Funds

Investors invest for a variety of reasons. Whether it is to have a comfortable retirement, a memorable holiday, or to save for their children’s education, they want to invest in a well-diversified investment portfolio that will give them long-term real growth (taking inflation into account).

As an adviser, you want to give your clients access to a **well-diversified investment** portfolio that is in line with their unique investment needs and objectives, and will give them long-term real growth

But with more than 30 asset managers, and over 250 Multi-Asset Funds in South Africa to choose from, it may be challenging to select the best asset manager and fund for their goals.

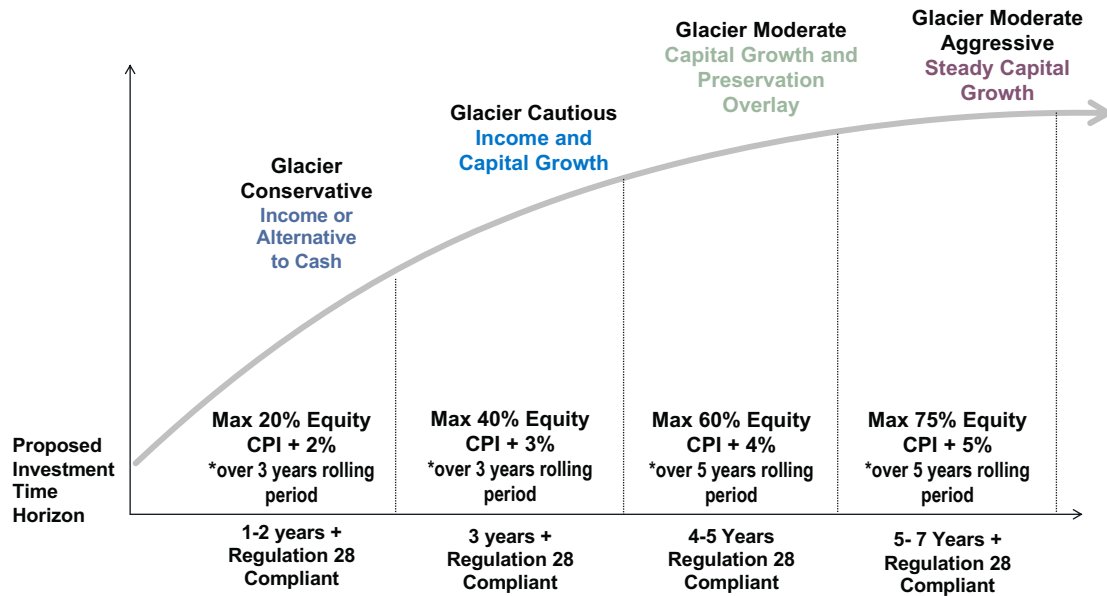

## The Glacier Solution Funds – well-diversified portfolios

Glacier Solution funds provide exposure to a variety of asset managers.
