

The Glacier Offshore Investment Plan

Change your view about offshore investing.

Simple investing, beyond our borders

Grow your returns by accessing opportunities across diverse markets and currencies.

The Offshore Investment Plan offers:

Liquidity

Flexibility to add to, or withdraw from your investment at any time.

Simplicity

A simple investment process with fewer take-on requirements than traditional offshore options.

Affordable investment minimums

Access to global opportunities with lower minimums than traditional offshore options.

Guided investment choices

Guidance and simplicity in investment choices through risk-profiled model portfolios.

Expand your investment universe

If you're an investor who saw offshore as off limits, there's never been a better time to change your view. Visit www.glacierinsights.co.za to learn more.
