

# Some good news about our structured products

23 May 2023

Intermediaries with clients invested in the sixth issue of the Glacier Capital Enhancer received some good news last week. This issue, which was exposed to the EuroStoxx 50, ended +21% on 16 May 2023, which means that investors receive a pre-tax return of 75%.

## What's the Glacier Capital Enhancer? A reminder

The GCE is a five-year investment option that provides capital protection as well as an enhanced return with uncapped upside linked to a global portfolio. The GCE investment option is set up in the Glacier Vantage Plan, a sinking fund policy underwritten by Sanlam Life Insurance Ltd and administered by Glacier Financial Solutions (Pty) Ltd.

## Options after maturity

Investors can remain invested in the [Glacier Vantage Plan](#) (sinking fund policy) or they can invest the proceeds, or a portion of the proceeds, in another suitable solution. Glacier offers a wide range of investment solutions to consider when an investment term comes to an end. Feel free to reach out to your Glacier Business Development Manager to guide you and your clients in this regard.

## Coming soon

Look out for details of a new structured product which is coming soon. The Glacier Top Brands Return Enhancer will be linked to the performance of a global portfolio of companies that are among the largest, most well-known and well-perceived brands in their respective industries. It will offer a minimum level of return and attractive upside.
