

# Another successful outcome for the Glacier Capital Enhancer

8 August 2023

The outcome for the Glacier Capital Enhancer was positive again for the seventh issue, which ended at +27% on 1 August 2023. This issue, which was exposed to the EuroStoxx 50, provided investors with a pre-tax enhanced return of 92.5%.

Confirmation about the outcome for the Glacier Capital Enhancer will be sent to invested clients on 29 August 2023, and they will be encouraged to speak to their financial intermediaries about [further investment options for the maturity amount](#).

Investors can remain invested in the [Glacier Vantage Plan](#) (sinking fund policy) or they can invest the proceeds, or a portion of the proceeds, in another suitable solution. Glacier offers a wide range of investment solutions to consider when an investment term comes to an end. Feel free to reach out to your Glacier Business Development Manager to guide you and your clients in this regard.

## The Glacier Capital Enhancer: A reminder

The Glacier Capital Enhancer is a five-year investment option that provides capital protection as well as an enhanced return with uncapped upside linked to a global portfolio. The GCE investment option is set up in the Glacier Vantage Plan, a sinking fund policy underwritten by Sanlam Life Insurance Ltd and administered by Glacier Financial Solutions (Pty) Ltd.

## Exciting new investment option in the pipeline

We have launched the first issue of [The Glacier Top Brands Return Enhancer](#) with great success recently, and the second issue is expected to open for investment on 28 August 2023 (until 13 October 2023). This structured product is linked to the performance of a global portfolio of companies that are among the largest, most well-known and well-perceived brands in their respective industries. It offers a minimum level of return and attractive upside.

Look out for more information about this opportunity, soon.
